OSS!

Satsuma Dojo Members,

I'm very happy to announce that Satsuma Dojo again has the opportunity to host Kancho Nobuaki Kanazawa, President for Shotokan Karate-do International Federation (SKIF) and all its 5 million members in 130 countries.

Kanazawa Kancho is the oldest son of Soke Hirokazu Kanazawa. While he spends most of time traveling throughout the world sharing the SKIF philosophy and curriculum, the world is a very big place, and Satsuma Dojo is extremely fortunate to train with him twice a year! While it's easy for our members to be accustomed to regular visits by him, we must always remember that most SKIF members in the world may never meet Kanazawa Kancho!

Our seminars will occur during regular class times on Tuesday 6/16, and Thursday, 6/18, and on Sunday, 6/21, all at the Columbia Neighborhood Center. There will be ample opportunities for members of all ranks to train with Kancho and to get autographs and pictures.

Satsuma Dojo is one of the three original SKIF dojo in the United States from 1983. We continue to enjoy a strong relationship with SKIF that was initiated by Sensei Isao Wada, the founder of Satsuma Dojo and my instructor.

I hope that all of you will be able to attend these seminars!

OSS!

p.s. Seminars on 6/16 and 6/18 supersede our regular schedule; there will be no other classes on those dates.
